

VACANCY

LOGISTICS MANAGER

ABOUT MEATCO

Meatco, an equal opportunity employer, is a progressive organisation involved in the production, processing, value addition, and marketing of red meat and associated by-products.

POSITION: LOGISTICS MANAGER (D5)

Purpose of the Job

Planning, coordinating, and monitoring logistics operations such as warehousing, inventory, transportation, and supply chain processes, to ensure that the supply chain is efficient and effective throughout the corporation.

Key Performance Areas

- Manage, direct, coordinate, oversee and control warehousing, inventory, transportation and shipping, and other logistics activities.
- Execute logistics plan to move products and packages to reach destinations on schedule.
- Coordinate receiving, warehousing, and distribution operations.
- Manage all transportation activities, including storage of goods, managing information accrued from point of origin to delivery, orchestrating transportation movements, and arranging for services as necessary
- Manage operations and capacity of locally and internationally warehouse and distribution centres.
- Develop and maintain transportation systems for local and international freight.
- Ensure compliance with relevant laws and regulations governing transportation and distribution.
- Develop reports, recommend and implement new strategies to streamline processes and reduce cost.
- Administration and management, including budget and cost control for the Logistics Department.

Competency and Skill Requirements

- Bachelor's degree in Supply Chain Management, Logistics and Transportation, Business Administration, or equivalent in a relevant field.
- Six (6) years' experience in Logistics, Warehousing or Transportation, preferable in the Fast-Moving Consumer Goods (FMCG) industry, of which three (3) years should be in a managerial position.
- Extensive knowledge of the Public Procurement Act, 2015 (Act 15 of 2015), Meat Corporation Act, 2001 (Act 1 of 2001), Import and Export Control Act, 1994 (Act 30 of 1994).
- Sound knowledge of HACCP and ISO family of standards.
- Excellent analytical, problem solving and organisational skills.
- Strong communication, negotiation and persuasion skills.
- Valid Code B drivers' license.
